COLEFAX GROUP PLC
(“Colefax” or “the Group”)

AGM STATEMENT

Colefax will hold its Annual General Meeting at 11.00am this morning and David Green, Chief Executive, will make the following comment on current trading:

“Since we announced our year-end results on 12 August, trading conditions have remained strong in most of our major markets. We attribute this to a healthy housing market and continued interest in home-related spending.

“In the Group’s core Fabric Division we are about to enter our important autumn trading period and expect current favourable market conditions to continue in line with our expectations.”
